1/ Report of the United Nations Conference on Environment and Development, Rio de Janeiro, 3-14 June 1992 (A/CONF.151/26/Rev.1(vol. 1 and vol. 1/Corr.1, vol. II, vol. III and vol. III/Corr.1)) (United Nations publication, Sales No. E.93.I.8 and corrigendum).

Also stressing the need for the intergovernmental preparatory process for the Global Conference on the Sustainable Development of Small Island Developing States to be able to accomplish its work before the Conference itself,

1. Takes note of the report of the Preparatory Committee for the Global Conference on the Sustainable Development of Small Island Developing States on its organizational and first sessions; 3/

2. Decides to convene the first Global Conference on the Sustainable Development of Small Island Developing States in Barbados from 25 April to 6 May 1994;

3. Urges once again that representation at the Conference be at the highest possible level;

4. Decides to convene one day of pre-Conference consultations at the venue of the Conference on 24 April 1994;

5. Decides also that the first session of the Preparatory Committee should be resumed for a period of five working days, from 7 to 11 March 1994, to complete the preparatory work assigned to it in paragraph 11 of resolution 47/189, including the draft programme of action for the sustainable development of small island developing States contained in annex III of the report of the Preparatory Committee and that adequate facilities should be made available for this purpose within the approved budget limit set for the biennium 1994-1995;

6. Endorses decisions 1 and 4 of the Preparatory Committee concerning the participation of associate members of regional commissions and of non-governmental organizations, including major groups, in the Conference and its preparatory process; 4/

3/ A/48/36.

4/ Ibid., part one, chap. V.

7. Also endorses decisions 3 and 13 of the Preparatory Committee, 5/ and decides to transmit the provisional rules of procedure and the provisional agenda to the Conference for adoption;

8. Requests the Secretary-General, in consultation with the relevant United Nations agencies and organizations, and taking into account the submissions he may receive from bilateral, regional and multilateral donor agencies as well as from non-governmental organizations, to ensure the timely submission to the Preparatory Committee, at its resumed session, of the report requested in decision 11 of the Preparatory Committee; 6/

9. Also requests the Secretary-General, through the Department of Public Information, to ensure that the goals and purposes of the Conference receive the widest possible dissemination within Member States, non-governmental organizations, and national, regional and international media, with a view to encouraging their active contribution to and support of the Conference and its preparatory process;

10. Expresses its appreciation for the contributions made to the voluntary fund established for the purpose of assisting small island developing States and the least developed countries to participate fully and effectively in the Conference and its preparatory process, and invites all Member States and organizations in a position to do so to contribute generously to the fund;

11. Decides to include in the provisional agenda of its forty-ninth session an item entitled "Report of the Global Conference on the Sustainable Development of Small Island Developing States", and requests the Secretary-General to submit the report of the Conference to the General Assembly at its forty-ninth session.
